this is the story of the historic chicano movement in los angeles during the late 1960s and 1970s the chicano movement was the largest civil rights and empowerment movement in the history of mexican americans in the united states the movement was led by a new generation of political activists calling themselves chicanos a countercultural barrio term this book is the story of three key activists raul ruiz gloria arellanes and rosalia muanoz who through oral history related their experiences as movement activist to historian mario t garcaia as first person autobiographical narratives these stories put a human face to this profound social movement and provide a life story perspective as to why these individuals became activists provided by publisher

youth identity power is a study of the origins and development of chicano radicalism in america written by a leader of the chicano student movement of the 1960s who also played a role in the creation of the wider chicano power movement this is the first full length work to appear on the subject it fills an important gap in the history of political protest in the united states the author places the chicano movement in the wider context of the political development of mexicans and their descendants in the us tracing the emergence of chicano student activists in the 1930s and their initial challenge to the dominant racial and class ideologies of the time munoz then documents the rise and fall of the chicano power movement situating the student protests of the sixties within the changing political scene of the time and assessing the movement's contribution to the cultural development of the chicano population as a whole he concludes with an account of chicano politics in the 1980s youth identity power was named an outstanding book on human rights in the united states by the gustavus myers center in 1990

the largest social movement by people of mexican descent in the u s to date the chicano movement of the 1960s and 70s linked civil rights activism with a new assertive ethnic identity chicano power beginning with the farmworkers struggle led by cesar chavez and dolores huerta the movement expanded to urban areas throughout the southwest midwest and pacific northwest as a generation of self proclaimed chicanos fought to empower their communities recently a new generation of historians has produced an explosion of interesting work on the movement the chicano movement perspectives from the twenty first century collects the various strands of this research into one readable collection exploring the contours of the movement while disputing the idea of it being one monolithic group bringing the story up through the 1980s the chicano movement introduces students to the impact of the movement and enables them to expand their understanding of what it means to be an activist a chicano and an american

in the 1960s and 1970s an energetic new social movement emerged among mexican americans fighting for civil rights and celebrating a distinct ethnic identity the chicano movement had a lasting impact on the united states from desegregation to

bilingual education rethinking the chicano movement provides an astute and accessible introduction to this vital grassroots movement bringing together different fields of research this comprehensive yet concise narrative considers the chicano movement as a national not just regional phenomenon and places it alongside the other important social movements of the era rodriguez details the many different facets of the chicano movement including college campuses third party politics media and art and traces the development and impact of one of the most important post wwii social movements in the united states

the chicano movement el movimiento is known as the largest and most expansive civil rights and empowerment movement by mexican americans up to that time it made chicanos into major american political actors and laid the foundation for today s latino political power rewriting the chicano movement is a collection of powerful new essays on the chicano movement that expand and revise our understanding of the movement these essays capture the commitment courage and perseverance of movement activists both men and women and their struggles to achieve the promises of american democracy the essays in this volume broaden traditional views of the chicano movement that are too narrow and monolithic instead the contributors to this book highlight the role of women in the movement the regional and ideological diversification of the movement and the various cultural fronts in which the movement was active rewriting the chicano movement stresses that there was no single chicano movement but instead a composite of movements committed to the same goal of chicano self determination scholars students and community activists interested in the history of the chicano movement can best start by reading this book contributors holly barnet sanchez tim drescher jes s jesse esparza patrick fontes mario t garc a tiffany jasm n gonz lez ellen mccracken juan pablo mercado andrea mu oz michael anthony turcios omar valerio jim nez

youth identity power is the classic study of the origins of the 1960s chicano civil rights movement written by a leader of the chicano student movement who also played a key role in the creation of the wider chicano movement this is the first full length work to appear on the subject it fills an important gap in the history of political and social protest in the united states carlos mu oz places the chicano movement in the context of the political and intellectual development of people of mexican descent in the usa tracing the emergence of student activists and intellectuals in the 1930s and their initial challenge to the dominant white racial and class ideologies he then documents the rise and fall of the chicano movement of the 1960s situating it within the 1960s civil rights and radical movements and assessing the chicano movement s contribution to the development of the mexican american population and the latino population as a whole in an afterword to this new edition mu oz charts the burgeoning growth of us latino communities assesses the nativist backlash against them and argues that latinos must play a central role in a new movement for multiracial democracy

among the protest movements of the 1960s the mexican american youth organization mayo emerged as one of the principal chicano organizations seeking social change by the time mayo evolved into the raza unida party rup in 1972 its influence had spread far beyond its crystal city texas origins its members precipitated some thirty nine school walkouts demonstrated against the vietnam war and confronted church and governmental bodies on numerous occasions armando navarro here offers the first comprehensive assessment of mayo s history politics leadership ideology strategies and tactics and activist program interviews with many mayo and rup organizers and members as well as first hand knowledge drawn from his own participation in meetings presentations and rallies enrich the text this wealth of material yields the first reliable history of this extremely vocal and visible catalyst of the chicano movement the book will add significantly to our understanding of sixties protest movements and the social and political conditions that gave them birth

this book provides original source documents from firsthand accounts to media responses to legislation regarding the chicano movement of the 1960s through 1970s readers will understand the key events individuals and developments of la causa chicanos uniting to free themselves from exploitation the 1960s was a time of the burgeoning black civil rights movement when society and politics were divided over the war in vietnam and public violence became normal in the form of police response to protests and assassinations of leaders it was also a time that witnessed the beginning of a movement to secure justice and rights on behalf of mexican americans and other latinos it was the chicano movement documents of the chicano movement eyewitness to history presents some 50 primary historical documents each prefaced by a succinct introductory essay because the chicano movement comprised disparate groups and leaders from across the nation the book will be divided into several sections that acknowledge these separate but connected efforts each headed by its own introduction through its detailed coverage of approximately two decades the book highlights key topics that include the fight of farm workers to establish a union the so called land grant struggle to reclaim areas of the southwest ceded in the treaty of guadalupe hildago the establishment in new mexico of the crusade for justice an organization that promoted a nationalistic agenda the growth of the urban chicano student movement and its drive for educational reform the chicano antiwar moratorium protests and the eventual rise of chicano political power with the birth of the la raza unida party the breadth of primary documents include materials from archives manuscript repositories newspapers government documents public speeches and addresses first person accounts from individuals who participated directly in the chicano movement legal decisions pamphlets and essays the documents not only tell a vivid engaging story but also provide students and researchers with valuable resources for use in other works

gathers columns from the chicano newspaper el grito del norte where the author s fierce but hopeful voice of protest combined anger and humor to stir her fellow chicanos to action as she drew upon her own experiences as a chicana

mexicans have long been discriminated against in the united states after the mexican american war ended in 1848 many tried to hide their true heritage so they would be considered white and treated with dignity by the majority of americans

however by the 1960s many had grown tired of hiding who they were this volume's age appropriate main text enhanced by engaging sidebars and informative fact boxes tells readers the story of mexican americans struggle for civil rights and their proud celebration of their heritage

chicano the history of the mexican american civil rights movement is the most comprehensive account of the arduous struggle by mexican americans to secure and protect their civil rights it is also a companion volume to the critically acclaimed four part documentary series of the same title which is now available on video from the corporation for public broadcasting both this published volume and the video series are a testament to the mexican american community's hard fought battle for social and legal equality as well as political and cultural identity since the united states mexico war 1846 1848 mexican americans have striven to achieve full rights as citizens from peaceful resistance and violent demonstrations when their rights were ignored or abused to the establishment of support organizations to carry on the struggle and the formation of labor unions to provide a united voice the movement grew in strength and in numbers however it was during the 1960s and 1970s that the campaign exploded into a nationwide groundswell of mexican americans laying claim once and for all to their civil rights and asserting their cultural heritage they took a name that had been used disparagingly against them for years chicano and fashioned it into a battle cry a term of pride affirmation and struggle aimed at a broad general audience as well as college and high school students chicano focuses on four themes land labor educational reform and government with solid research accessible language and historical photographs this volume highlights individuals issues and pivotal developments that culminated in and comprised a landmark period for the second largest ethnic minority in the united states chicano is a compelling monument to the individuals and events that transformed society

seminar paper from the year 2017 in the subject didactics for the subject english applied geography grade 2 o karlsruhe university of education language english abstract the 1960 s and 1970 s were critical years for the latino community across the united states spanish speaking people from the east to the west coast were engaged in groundbreaking civil rights efforts during these decades these efforts which were built on earlier struggles of latino and latina activists since the end of the mexican american war in 1848 cf escobar 1993 established a new factor in u s society and race relations hard work was put in to achieve those goals the most challenging region of latino activism during this era was southern california in los angeles mexican americans had to face severe discrimination segregation and racism therefore some of the most important events in the chicano community occurred in los angeles the chicano blowouts the chicano moratorium and the chicana women rights movement also known as the chicana feminist movement all three fuelled a national movement that would forever change the face of latino identity and politics in america cf trevino 2001 having mexican ancestry during that time was not considered as something to be proud of people with mexican heritage were not treated as equals by the white population in the united states therefore it was just a question of time until some sort of movement would break out this paper will focus on chicana women and chicana feminism with a closer look at how the chicano movement dealt with mexican american women another point of particular interest is if and how chicanas influenced the chicano movement and how they dealt with each other and finally the investigation of the role of chicana women within the chicano chicana movement their traditional role and the later change to the modern role within the chicano community and within american society to be able to answer these questions one at first has to take a closer look at the chicano movement itself the first chapter introduces the chicano movement in general explains terms and definitions the second chapter focuses on major events during the movement the third chapter deals with the leaders of the movement and the last chapter with chicana women feminism their role during the chicano movement and their position within society back then and nowadays the paper ends with a functional conclusion

the chicano movement of the 1960s and 70s like so much of the period's politics is best known for its radicalism militancy distrust of mainstream institutions demands for rapid change less understood yet no less significant in its aims actions and impact was the movement's moderate elements in the midst of radicalism presents the first full account of these more mainstream liberal activists those who rejected the politics of protest and worked within the system to promote social change for the mexican american community the radicalism of the chicano movement marked a sharp break from the previous generation of mexican americans even so historian guadalupe san miguel jr contends the first generation agenda of moderate social change persisted his book reveals how even in the ferment of the 60s and 70s mexican american moderates used conventional methods to expand access to education electoral politics jobs and mainstream institutions believing in the existing social structure though not the status quo they fought in the courts at school board meetings as lobbyists and advocates and at the ballot box they did not mount demonstrations but in their own deliberate way they chipped away at the barriers to their communities social acceptance and economic mobility were these men and women pawns of mainstream political leaders or were they true to the mexican american community representing its diverse interests as part of the establishment san miguel explores how they contributed to the struggle for social justice and equality during the years of radical activism his book assesses their impact and how it fit within the historic struggle for civil rights waged by others since the early 1900s in the midst of radicalism for the first time shows us these moderate mexican american activists as they were playing a critical role in the chicano movement while maintaining a long standing tradition of pursuing social justice for their community

amidst the turbulence and militancy of the 1960s and early 1970s the mexicano population of the dusty agricultural town of crystal city texas cristal in spanish staged two electoral revolts each time winning control of the city council and school board the landmark city council victory in 1963 was a first for mexican americans in south texas and cristal the spinach capital of the world became for a time the political capital of the chicano movement in the cristal experiment armando navarro presents the most comprehensive examination to date of the rise of the chicano political movement in cristal its successes and conflicts both internal and external and its eventual decline he looks particularly at the larger and more successful second revolt in 1970 and its aftermath up to 1981 examining the political economic educational and social changes for mexicanos that resulted drawing upon nearly 100 interviews a wealth of secondary materials and his own experiences as a political

organizer in the chicano movement navarro offers a shrewd and insightful analysis not only of the events in cristal but also of the workings of local politics generally the politics of community control and the factors inherent in the american political system that lead to the self destruction of political movements as both a political scientist and an organizer he outlines important lessons to be learned from what happened in cristal and to the chicano movement

this book provides original source documents from firsthand accounts to media responses to legislation regarding the chicano movement of the 1960s through 1970s readers will understand the key events individuals and developments of la causa chicanos uniting to free themselves from exploitation the 1960s was a time of the burgeoning black civil rights movement when society and politics were divided over the war in vietnam and public violence became normal in the form of police response to protests and assassinations of leaders it was also a time that witnessed the beginning of a movement to secure justice and rights on behalf of mexican americans and other latinos it was the chicano movement documents of the chicano movement eyewitness to history presents some 50 primary historical documents each prefaced by a succinct introductory essay because the chicano movement comprised disparate groups and leaders from across the nation the book will be divided into several sections that acknowledge these separate but connected efforts each headed by its own introduction through its detailed coverage of approximately two decades the book highlights key topics that include the fight of farm workers to establish a union the so called land grant struggle to reclaim areas of the southwest ceded in the treaty of guadalupe hildago the establishment in new mexico of the crusade for justice an organization that promoted a nationalistic agenda the growth of the urban chicano student movement and its drive for educational reform the chicano antiwar moratorium protests and the eventual rise of chicano political power with the birth of the la raza unida party the breadth of primary documents include materials from archives manuscript repositories newspapers government documents public speeches and addresses first person accounts from individuals who participated directly in the chicano movement legal decisions pamphlets and essays the documents not only tell a vivid engaging story but also provide students and researchers with valuable resources for use in other works

in the 1930s and 1940s the early roots of the chicano movement took shape activists like jesús cruz and later ralph cuarón sought justice for miserable working conditions and the poor treatment of mexican americans and immigrants through protests and sit ins lesser known is the influence that communism and socialism had on the early roots of the chicano movement a legacy that continues today examining the role of mexican american working class and radical labor activism in american history Enrique M. Buelna focuses on the work of the radical left particularly the communist party cp usa Buelna delves into the experiences of Cuarón in particular as well as those of his family he writes about the family's migration from Mexico work in the mines in Morenci Arizona move to Los Angeles during the Great Depression service in World War II and experiences during the Cold War as a background to exploring the experiences of many Mexican Americans during this time period the author follows the thread of radical activism and the depth of its influence on Mexican Americans struggling to achieve social justice and equality the legacy of Cuarón and his comrades is significant to the chicano movement and in understanding the development of the labor and civil rights movements in the United States their contributions in particular during the 1960s and 1970s informed a new generation to demand an end to the Vietnam War and to expose educational inequality poverty civil rights abuses and police brutality

the importance of myth symbol and image in the chicano movement and beyond

as the heyday of the chicano movement of the late 1960s to early 70s fades further into history and as more and more of its important figures pass on so too does knowledge of its significance thus the chicano movement for beginners is an important attempt to stave off historical amnesia it seeks to shed light on the multifaceted civil rights struggle known as el movimiento that galvanized the Mexican American community from laborers to student activists giving them not only a political voice to combat prejudice and inequality but also a new sense of cultural awareness and ethnic pride beyond commemorating the past the chicano movement for beginners seeks to reaffirm the goals and spirit of the chicano movement for the simple reason that many of the critical issues Mexican American activists first brought to the nation's attention then remain as pervasive as ever almost half a century later

examines the chicano movement's development in Los Angeles California home of the largest population of people of Mexican descent outside of Mexico City
