while 1998 marked the 100th anniversary of the united states invasion and takeover of puerto rico it wasn't until 1999 that the island's political movements reappeared on the radar screen of the american people that year two major developments occurred that transformed the relationship between puerto rico and washington d c

the limited clemency granted by then president clinton to eleven puerto rican nationalists and the death of puerto rican civilian security guard david sanes killed by missile fragments from u s naval bombing tests on the island municipality of vieques how does vieques fit into the political future of puerto rico while anti navy protesters are careful not to mix the island s political status options with their battle against the navy it is important to understand the role washington has played in shaping puerto rico s current reality and how it has allowed the navy to use vieques as a bombing range for 60 years it also helps one begin to predict what is the future of puerto rico is it to be a colony fifty first state of the united states sovereign nation in islands of resistance mario a murillo approaches these questions by examining how puerto rican politics have been shaped as much by 100 years of u s economic military and cultural domination of the territory as by the enduring grassroots resistance of the puerto rican people islands of resistance puts the contemporary situation in puerto rico into an historic context that will help people understand what is at stake in vieques not only for viequenses but for puerto ricans both on the island and in the diaspora

this exciting addition to the culture and customs of latin america and the caribbean series provides readers with an all encompassing look at contemporary life in puerto rico having always been under the watchful eyes of other colonies and countries puerto rico s own customs and traditions have managed to flourish throughout the ages culturally uniting what is a politically divided island in addition to gaining an understanding of puerto rico s political relationship with the continental united states students can explore extensive narrative chapters that cover contemporary religion cuisine sports media cinema literature performing arts and visual arts an essential for high school and public library shelves culture and customs of puerto rico is the perfect research resource for students and general readers this exciting addition to the culture and customs of latin america and the caribbean series provides readers with an exhaustive look at contemporary life in puerto rico having always been under the watchful eyes of other colonies and countries puerto rico s own customs and traditions have managed to flourish throughout the ages culturally uniting what is a politically divided island in addition to gaining an understanding of puerto rico s political relationship with the continental united states students can explore the small island nation s history with spain during the colonial era this fascinating volume provides illustrative narrative

chapters on religious practices in puerto rico as well as religious and secular festivals social customs such as sports cuisine gender issues family values and nightlife are discussed in depth extensive coverage on the media performing arts cinema visual arts and literature provides students with a solid foundation in puerto rican past and contemporary culture an essential for high school and public library shelves culture and customs of puerto rico is the perfect research resource for students and general readers

these essays deal with continuity and change in puerto rico and constitute a delightful san juan reader from a thoughtful historian s point of view

provides an in depth and comprehensive portrait of puerto rico including its history people land economy and government

discusses the history people and culture of this island commonwealth and the life style and problems of the puerto ricans who have migrated to the mainland in search of jobs

in her exciting new book marisol lebrón traces the rise of punitive governance in puerto rico over the course of the twentieth century and up to the present punitive governance emerged as a way for the puerto rican state to manage the deep and ongoing crises stemming from the archipelago s incorporation into the united states as a colonial territory a structuring component of everyday life for many puerto ricans police power has reinforced social inequality and worsened conditions of vulnerability in marginalized communities this book provides powerful examples of how puerto ricans negotiate and resist their subjection to increased levels of segregation criminalization discrimination and harm policing life and death shows how puerto ricans are actively rejecting punitive solutions and working toward alternative understandings of safety and a more just future

what s so great about puerto rico find out the top ten sites to see or things to do on the island of enchantment we ll explore puerto rico s charming cities iconic landmarks colorful coral reefs and fascinating history the puerto rico by map feature shows where you ll find all the places covered in the book a special section provides quick territory facts such as the motto capital population animals foods and more take a fun filled tour of all there is to discover in puerto rico

emotional bridges to puerto rico examines the experiences of incorporation among two groups of middle class puerto ricans one that currently lives in the u s mainland and one that has resettled in puerto rico the analysis focuses on their subjective interpretations of incorporation and the conditions under which they decide to move back and forth between the mainland and island findings reveal that migration to the mainland results in educational occupational and economic gains in the u s which also help return migrants re enter island labor markets u s settlement brings its own set of struggles puerto ricans see themselves as members of transnational families yet the struggles of leading dual lives result in settlement decisions that reflect desires to live locally with roots in one place instead of feeling split between the two experiences with u s racism complicate these decisions given puerto ricans struggles with racial identity and exclusion in spite of their economic occupational and residential integration into mainland society this study illustrates the conditions under which various patterns of attachments to place or emotional anchoring develop and how these feelings impact future puerto rican settlement

finalist for the national book award a family saga in the manner of gabriel garcía márquez set in puerto rico from an extraordinary storyteller the new york times book review this riveting multigenerational epic tells the story of two families and the history of puerto rico through the eyes of isabel monfort and her husband quintín mendizabal isabel attempts to immortalize their now united families and by extension their homeland in a book the tale that unfolds in her writing has layers upon layers exploring the nature of love marriage family and puerto rico itself weaving the intimate with the expansive on a teeming stage ferré crafts a revealing self portrait of a man and a woman two fiercely independent people searching for meaning and identity as isabel declares nothing is true nothing is false everything is the color of the glass you re looking through a book about freeing oneself from societal and cultural constraints the house on the lagoon also grapples with bigger issues of life death poverty and racism mythological in its breadth and scope this is a masterwork from an extraordinary storyteller

a brookings institution press and the center for the new economy publication as a territory of the united states puerto rico enjoys the benefits of key u s legal monetary security and tariff systems and its residents are u s citizens in the decades following world war ii puerto rico emerged as one of the world s fastest growing

economies from 1950 to 1970 per capita income nearly doubled as a percentage of the u s average making the island the richest economy in latin america since the mid 1970s however labor force attachment has declined economic growth has slowed and the island s living standards have fallen further behind those on the mainland today more than half of all puerto rican children live below the u s poverty level why did puerto rico s economic progress stall and more important what can be done to restore growth a number of overlapping concerns labor supply and demand entrepreneurship the fiscal situation financial markets and trade are at the heart of its economic difficulties this is a companion volume to restoring growth the economy of puerto rico brookings 2006 in which economists from puerto rico and the united states examine the island s economy and propose strategies for sustainable growth this monograph summarizes the analyses published in that volume and presents a set of policy recommendations to increase employment improve education upgrade infrastructure and fix government finances contributors include james alm georgia state university barry p bosworth and gary burtless brookings institution susan m collins brookings institution and georgetown university steven j davis university of chicago maría e enchautegui juan lara luis a rivera batiz and orlando sotomayor university of puerto rico richard b freeman and robert z lawrence harvard university helen f ladd duke university rita maldonado bear and ingo walter new york university francisco l rivera batiz columbia university and miguel a soto class center for the new economy

with its 155 mile per hour sustained windspeeds the near category 5 hurricane maria brought catastrophic devastation and destruction as it diagonally crossed the commonwealth of puerto rico from the southeast to the northwest on september 20 2017 the official death toll estimate of 2 975 lost lives means this record storm became one of the most devastating hurricanes not only for puerto rico but for the u s many of these deaths as well as the prolonged human suffering were attributed to what was described as inadequate disaster response and slow restoration of basic services including running water electricity and the provision and distribution of food and medicine and not to the direct impact of the hurricane itself at the same time hurricane maria made landfall when puerto rico had been confronting a severe economic crisis surging for over a decade this crisis referred to as la crisis boricua was characterized by a significant loss of industry and jobs a deteriorating infrastructure record net outmigration a shrinking and rapidly aging population

rising healthcare under coverage a bankrupt government and federal legislation restricting fiscal policy decisions made by elected officials on the island thus hurricane maria exacerbated the effects of la crisis boricua on the socioeconomic health and demographic outcomes affecting puerto ricans on the island and u s mainland bringing together scholars from a wide variety of disciplines including economics sociology demography health psychology disaster research political science education the arts and others this volume represents one of the first interdisciplinary sets of studies dedicated to analyzing the effects of hurricane maria on island and stateside puerto ricans specific topics cover hurricane maria s impact on labor market outcomes including wages and employment by industry health implications including mental health changes in artistic expression civic engagement and disaster response and recovery a common thread through many of the chapters was the destruction of puerto rico s electrical grid and the prolonged restoration of electricity and other essential services that resulted in the loss of thousands of lives

the code of federal regulations is the codification of the general and permanent rules published in the federal register by the executive departments and agencies of the federal government

what if puerto rico s story isn t simply one of colonial control but of resistance identity and the struggle for dignity in puerto rico freedom and power in the caribbean gordon k lewis immerses you in the island s modern crisis not as a passive victim of imperial forces but as a nation striving to claim its voice amid competing powers lewis captures the tensions of u s influence internal political fault lines and cultural resilience he tells how sugar barons u s governors nationalist leaders and everyday people shaped and were shaped by each other from the early twentieth century to mid century he examines the inequalities of plantation economics the yearning for autonomy and the dramatic social movements that challenged the island s dependency this is not dry political history lewis combines narrative sweep with analytical power the impact of quotas and capital flows the psychology of colonialism and the power struggles within parties he reveals how the quest for freedom often coexists with power for whom the island s progress is built and who pays its hidden costs still widely read today this work demands attention from anyone who seeks to understand not just puerto rico but modern colonial

dynamics in the caribbean and beyond

special edition of the federal register subject agency index for rules codified in the code of federal regulations revised as of jan 1

in this work gonzález dismantles the myth of a dominant spanish and racially white national culture in puerto rican history he claims that the national identity is primarily mestizo mixed race with a significant contribution from africa gonzález calls the african slaves and mestizo peasantry the first puerto ricans because they were the first inhabitants who had to make the island their home having witnessed successful uprisings in neighboring haiti the spanish authorities encouraged white immigrants to settle in puerto rico in an attempt to whiten the population then thought to be tilting dangerously to the advantage of the afro antilleans these immigrants became the small but influential class of landowners and later urban professionals according to the author s grand metaphor afro antilleans and mestizos constitute the first storey or tier of the puerto rican house of the title landowners the second urban professionals the third and the managerial class the fourth

puerto rico is often depicted as a racial democracy in which a history of race mixture has produced a racially harmonious society in remixing reggaetón petra r rivera rideau shows how reggaetón musicians critique racial democracy s privileging of whiteness and concealment of racism by expressing identities that center blackness and african diasporic belonging stars such as tego calderón criticize the puerto rican mainstream s tendency to praise black culture but neglecting and marginalizing the island s black population while ivy queen the genre s most visible woman disrupts the associations between whiteness and respectability that support official discourses of racial democracy from censorship campaigns on the island that sought to devalue reggaetón to its subsequent mass marketing to u s latino listeners rivera rideau traces reggaetón s origins and its transformation from the music of san juan s slums into a global pop phenomenon reggaetón she demonstrates provides a language to speak about the black presence in puerto rico and a way to build links between the island and the african diaspora
