this book rediscovers a spiritual way of preparing the actor towards experiencing that ineffable artistic creativity defined by konstantin stanislavski as the creative state filtered through the lens of his unaddressed christian orthodox background as well as his yogic or hindu interest the practical work followed the odyssey of the artist from being oneself towards becoming the character being structured in three major horizontal stages and developed on another three vertical interconnected levels throughout the book gabriela curpan aims to question both the cartesian approach to acting and the realist psychological line generally viewed as the only features of stanislavski s work this

book will be of great interest to theatre and performance academics as well as practitioners in the fields of acting and directing

includes transactions of affiliated societies
